»»» Lodging

Imagine yourself standing on a cabin porch looking at a view that simply takes your breath away while the horses graze in the pasture. No noisy streets, no high-rise buildings, just you and mother nature at your fingertips. Dude ranch accommodations vary from luxurious and elegant to rustic and Cowboy Chic. Whether you are staying in your own private cabin, glamping tent, covered wagon, or lodge room, rest assured you will feel like you are at your home-away-from-home with all of the amenities you could need.

»»» Activities

The activities at all DRA dude ranches can be as leisurely or lively as you like. While horseback riding is the main focus of DRA ranches, the other activities you can experience are endless. Hiking in National Parks and forests, white water rafting, world-class fly fishing, overnight pack trips, trap shooting, golf, children's programs, evening entertainment, cattle work and so much more. There really is something for anyone, at any age!

»»» Dining

Dining at a dude ranch will be one of the most memorable parts of your vacation. Whether you are dining around a campfire, under the stars, enjoying a poolside barbecue, or sitting in a family-style dining room while spending quality time with those around you, the dining experience is one of the most special parts of the dude ranch experience. The food will range from home-style cooking to the finest in western cuisine, and dessert is always on the menu. Special dietary needs can be accommodated upon request.
